ALTONA, June 17, 1861.

DR. J. H. COOPER, SIR:—I, in justice to the cause of frumanity and at the same time of giving information to others afflicted as I have been. I most cordially make this communication to you, to be used as you may think best. When I employed you I was 68 years of age. I have been for six years severely afflicted with the gravel. I had also for a long time been troubled with the dyspepsia and an affection of the Liver—commonly called the "Liver Complaint."

These diseases, combined, rendered me unfit to attend to any business and I supposed that the pain and suffering which I had to undergo would soon terminate my existence; in fact every one that saw me thought I could live but a short time. However, the timely aid which was rendered by you has fully restored me and, may I not say renewed my life I feel as
